

The DBT e-Library Consortium (DeLCON) is a unique Electronic Journal Consortium which is operational since January 2009. Currently the DeLCON Consortium includes 34 Member Institutions and Bioinformatics Centres of the DBT. A total of 1171 selective Journals and an e-book are covered under DeLCON. It is a national initiative for providing access to scholarly electronic resources including full-text and bibliographic databases in all the life science subject disciplines to DBT Institutional community. It facilitates access to high quality e-resources to DBT research Institutions in the country to improve teaching, learning and research. These all are accessible by the DeLCON Consortium Members through the DeLCON Portal (<http://delcon.gov.in>).

Available Full Text of Electronic Journals and their coverage

- American Association for the Advancement of Science (AAAS)**
<http://www.sciencemag.org> (Full text coverage of 03 resources with access from 1997 onwards)
