

Workshop Details:

Day & Date	Wednesday, 5 August 2020
Time	3.30 – 5 pm IST
Registration Link	https://attendee.gotowebinar.com/register/5449366952679820043

Coverage:

This session will provide an overview of the research and publishing ethics landscape detailing the challenges publishers and editors are facing. Also, will cover the essential elements of research ethics and how they translate to publishing ethics. Focus will be placed on best practices around trail registration, consent, and representation of data.

Speaker:

Sabina Alam completed her PhD in neuroimmunology from the University of Bath and postdoctoral in neuroscience at the School of Pharmacy in London. She joined Taylor and Francis Group in 2018. In her current role, she is leading the Publishing Ethics and Integrity team with expert advice and support on ethical, research integrity, and policy matters.
